

## ECLT Foundation Programme in the Philippines with the Department of Labour and Employment (DOLE), 2007-2009

### Eliminating Child Labour in the Tobacco Industry (ECLTI), Phase 2

#### Description of the Programme

##### Programme background

Following the successful work done by DOLE during the first phase, the ECLT Foundation has decided to pursue this effective collaboration:

- To address weaknesses of the first phase and ensure sustainability
- To support 200 new families and children

*Highlighted areas where project will be implemented*

#### Programme objectives

The specific overall project objectives are to:

- Intensify awareness-raising in all 113 barangays of the five provinces;
- Revitalize their barangays council for the protection of children;
- Reorganize and increase membership in the SECLTI;
- Pursue assistance in general education and vocational training;
- Enhance IGA effectiveness (entrepreneurship training, reorganization of the beneficiary groups, provide additional initial capital);
- Strengthen monitoring and evaluation;
- Provide educational assistance to 286 children;
- Provide livelihood assistance to 300 families (Income Generating Activities and skills training);
- Expand awareness raising activities to all the barangays of the selected provinces (5,750 participants);
- Develop a consolidated communication plan (including information, education and communication materials)
- Get child labour included in national tobacco administration (NTA) and in tobacco manufacturing farmers' training.

- Orientation briefing on child labour: specific training for the parents' associations, farmers and leaf technicians meetings (total 2,500 people);
- Capacity building seminars for selected teachers, leaf technicians municipal and barangay members, (100 participants).

## Project structure

- Departments of Labour, Interior and local Governance, Education, Agriculture, Trade and Industry, Social welfare and Development;
